Leader – Wendy Schroeder

In 1937 in the snowbound city of Kiev wry and bookish history student Mila Pavlichenko organizes her life around her library job and young son—but Hitler's invasion of Ukraine and Russia sends her on a different path. Given a rifle and sent to join the fight, Mila must forge herself from studious girl to deadly sniper—a lethal hunter of Nazis known as Lady Death. Based on a true story, *The Diamond Eye* is a haunting novel of heroism born of desperation, a mother who became a soldier, a woman who found her place in the world and changed the course of history forever.

LINDSAY MATHER

I just wanted to extend a heartfelt thank you to all who volunteered at Art Street over the weekend. The weather wasn't ideal but from what I heard, good conversations were had before the rain started!

Special thanks to Mary for all your efforts to get us registered, coordinating the volunteer list, getting the materials together, and everything else! Thanks also to everyone who helped set up on Friday and take everything down yesterday.

You are all wonderful and I am very glad to know and work with you!

Introducing the 2nd Annual 2022 Fine Arts & Antiques at Plum Bottom Farm. The stage is set for a beautiful and inspiring event where you will find over 25 award winning Wisconsin Fine Artists and 3 hand selected emerging artist, Representing a wide variety of techniques and mediums. Visit the lower barn, where you will find impeccably curated antique selections ranging from vintage to the unique and iconic.

This one-of-a-kind event happens at the historic “Plum Bottom Farm” in Egg Harbor Wisconsin, where prize winning cattle once used to graze.
